Exhibitor Evaluation

Additional Comments

- * Very helpful & pleasant staff and volunteers
- * Signage could be better and parking was a problem
- * Good food & refreshments
- * Excellent spacious venue
- * Excellent opportunity to meet and network
- * Could have music throughout the venue
- * Very friendly welcome at entrance. Food was excellent. Very well organised
- * Have more private areas but sincerely enjoyed the Mela
- * I prefer the event on the University Sector.

Health Checks: Including advice and counselling

Conducted by: Health Olympics and Blood Drop Team

Lancashire Teaching Hospital NHS Foundation Trust
